

QUEENSFERRY COMMUNITY COUNCIL MISSION STATEMENT

- To act as the grass roots in local government in a transparent manner, accessible to all.
- This council will strive to meet the needs of the residents living in our community.
- It aims to enhance the areas which we live, work, visit or invest.
- To liaise with community groups in the area for the benefit of all.
- To develop services that meet local needs.
- Maintaining cost effective service, whilst bearing in mind in preserving the traditions and character of our area.
- To give moral and financial support to local facilities and initiatives in the community.
- To be proactive in-providing new services as well as being reactive in resolving community concerns.
- To provide by way of this council's website and social media page positive information and news of activities in our community.

To be reviewed/updated on an annual basis.....
