

***Queensferry Community Council to Host their Inaugural Pentre
and Sandycroft Scarecrow Trail***

We are excited to tell you that the 'Scarecrow Trial' will be happening in September 2023 with the judging taking place on Saturday 16th September.

Join us at Sandycroft Community Centre between 1 - 4pm for Food, Fun and Games and to award and congratulate the winners.

The Hard work of all those taking part will be on display for you to wander around and view for yourselves within the Village and will be on show for a two week period 9 - 23rd September. It will be well taking a gentle stroll round the Village to enjoy these amazing scarecrows.

Once we have a list of those taking part, we will provide a map of the trail.
